John (JT) Smith was a good friend of mine. A very good golfer and bowler was his love. He had a great sense of humor, charming, with an instantaneous smile. He also had a calming demeanor. We enjoyed many days exchanging conversation, and always inquired about each other's health. I will add that he was also very lucky. He won a Classic Mustang convertible at the casino. I'm gonna miss our conversations John, but I will use our conversations as priceless memories in my that treasure chest. Rest in Peace my friend. 🙏 condolences to the family and prayers for strength and love during John's transition.
