“ *My prayers go out for the family of John Stokes (my friend 'Vette's father). I know how you feel. Jesus has left us a Comforter though.*

“ *Our Beloved Grandpa Stokes
You showed that you didn't need to see;
in order to have a vision,
Giving us a place to bond and connect;
with each other was a wonderful decision,
"Burning daylight" you'd yell;
to wake us for the day'
As you were already on the roof;
hammering away,
You helped us build character;
never left us with an idol mind,
Constructing a sunroom, digging a spring well;
We did projects of every kind,
If we wanted a fun time;
we knew were to go,
You made sure we knew how to reach you:
55 "oh",
Spending time with your grandchildren:
was a joy you could never hide;
Taking us on fishing trips;
and dirt road tractor rides;
Getting fresh eggs from our new chick friends;
some plucked their feathers,
some hide them, we new the plan;
when the day was done;
we may lose a chick friend
from what time did tell;
"Our Father who art in heaven;
hollowed be thy name"
Everyday without you Grand Dad;
will never be the same,
Your humor and personality;
nawnawnaw no one could ever touch,
Thank you for everything you taught us;
Grandpa we will miss you so much.....
From Your Loving Grandchildren*
