“ John ,the greatest love of my life, and I will always love him and carry him in my heart. John ,you were truly a great person and I am so blessed to have had you in my life, if even just for a little while. I "Adore" you by Prince was our song, and just as it goes, you know I do. I miss you dearly.

“ Dear Pop, knowing that ur not going 2 be here going fwd 2 b my voice of reasoning when I face the complications of life really breaks my heart. Ur the only person I always could open up 2 about everything knowing that somehow ur going 2 give me the right answer. Even in ur last days u prepared me 4 this day by quoting from the Moorish science temple of America which u were a member. Death is no enemy of man; it is a friend who, when the work of life is done, just cuts the cord that binds the human boat 2 earth, that it may sail on smoother seas. the calls of death are always 4 the best, 4 we are solving problems there as well as here; and 1 is sure 2 find himself where he can solve his problem best. it is selfishness that makes 1 wish 2 call again 2 earth departed souls. I Love You Pop, I will let u rest in peace.i I will use ur noble life as strength & inspiration. LVS John John
