“ Well daddy,
I know that in my heart
You are okay,it hurts not being able to hear you state it yourself
Truth is.....i miss you alot
I know it will take time to heal
But my heart aches
I tried to put the pieces together
What happened?
How it could have been prevented?
What was my dad`s last words?
Why you?
Why.....
It hurts everyday and it isnt easy
I try to be strong,i often feel helpless
I pray for you
I prayed for the remaining family
I know that our conversations ended
It doesnt have to stop!
So.....i write your page
To express myself :-)
I know u wouldnt mind
So.....i began to write
This is how i deal with loosing a bestfriend
Love

I am trying to be strong everyday
But truth is i really miss you alot
I try to pray, i try to figure things out of why this happened
Why you? I ask.....

I have prayed for the remaining family

I feel strong @ times,

“ A Musical Tribute to Johnnie Fails aka “Son”

These songs remind me of Son personality traits.

*When Lou Rawls song about a “Natural Man”
That was Son, just a Natural Man.*

*If you were down and troubled and need a helping hand
Son let you know “You’ve gotta a friend” in him*

If you were in Panic Son was the “Shade Tree Mechanic”

Son was a blues man, Hey, Hey the Blues is alright!

“I’m going fishing Baby!” that was Son on any given day.

*Michael Jackson song about Black or White that was Son
to Son there was no gray area*

Chuck Berry called Son by name “Johnnie B Goode”.

*Isaac Hayes spoke about a man that would risk his neck for
his brother man. A Bad Mothua...*

SHUT YOUR MOUTH, I’m talking ‘bout Son!

*And lastly, Salt-N-Pepa rapped about Son
with “Whatta Man”, Whatta Man, Whatta Mighty GOOD Man.
Yes he is. Hoot!!*

*Forever Missing one of my fathers, my hero, friend, and the “Best”
brother-n-law in world “Son”*

“ I love your contagious laugh, your southern twang, and the love you have for your family.

As child I remember riding in your "decked out truck". Everyone of my cousins that took a ride knows how cool it was.

Now the whole purpose of that truck was for your love for fishing.

Boats, bait, and booze... make this country man happy.

Notice all of my words are present... Uncle Son is sleeping... not gone.

“ Uncle Son, (AKA) 2 pair with a Ace! You were a father to many of us, who was fatherless. You taught us survival skills. I've never known you to be afraid of anything. The Lord kept you here long enough to share your wisdom. You were a blessing to our family. Sleep on UNK, take your rest! Your niece Wanda
