“ *To the Green Family and relatives, I, only met Rev Green, a few times through David, and Pat, Simmons, who are dear friends of mine. I, knew when I, met him he was a man of faith and belief. The way he spoke and carried himself showed his heart was with all who was in his presence. The question of Where Is Your Faith? will never be asked about this man of God who now moves on to another place so remember that he gave us all something that we will carry the rest of our lives and that's A Place In Our Hearts. Thank you Reverend Johnnie Green II; may you Rest In Peace....*

“ To our dear Kathy, your sons and the entire Green family; please know that I share with you in the temporary loss of such a precious man of God. My heart hurts yet I rejoice knowing we will all meet again. I met Rev. Johnnie Green at the marriage to my late husband, Rev. James Wood, performed by the late Rev. Dr. Frederick Sampson. Rev. Green's life was a constant of encouragement, to us. I remember his last request to me was for his family. I marveled at the love, respect, support he gave to God's people and especially to his wife, sons. Thank you so very much for sharing him and supporting the work of the ministry God so planted in his life. Your sister in Christ.

“ My brother Rev. Johnnie Greenli was one of the most caring man of God I know. He always put others needs before his own. He loved you unconditionally and would always say “God bless your heart” when talking to you. He made our family reunions so much fun. His collard greens, Mac n cheese and ribs would be the first to go. He would pray over all situations and tell you to give to God. He was not judgmental.

*I am going to miss him so much; however, I look forward to seeing him again in heaven. RIP my loving brother. Shandra Childs number 2 of 12*

“ Rev Green baptized me and would always say “Mrs. Lula Norman’s grandkid” (my grandmother was one of the first members of Tabernacle). He was the absolute best. Whatever you ask he would find a way to help. I attended vacation bible school with his son Johnnie, III for many many years...He came to the hospital and prayed for my grandmother during her hip surgery. He can the blessing and prayer at my grand opening at the Book Tower. He helped me get scholarship money when I graduated high school and went to Wayne state... Last year he performed the wedding ceremony for my cousin Shanier and Moses at Tabernacle. He help President Jimmy Carter with the habitat with humanity.A loyal friend to the late Dr. Sampson. A loyal friend and servant to Jesus. Tabernacle has lost a trooper indeed in Reverend Johnnie Green, II. We are blessed to have walked this earth at the same time as Rev Green. We will miss you but take comfort in knowing that we too will sail down the river of Jordan and meet again. We”ll continue to open our hearts and let Jesus in. My heartfelt condolences to his family and our church family. God, Bless them and keep them during this transition...Ronald Smith.....Smith Family, Normans

“ Rev. Johnnie Green was a friend, an encourager to me. He was a faithful man of God. We don't get to say that often. He had a way of proving what remaining steadfast in God looked like. And even when others didn't understand how faithful he was, he didn't try to explain, but just kept on. He kept on - in spite of trials, of troubles. He kept on. Oh my goodness, rest now my friend.

*JT, Josiah, Kathy - My prayers surround you, keeping you holding you as God walks you through this grand transition In his peace. Blessings!*
