“ *Johnnie Mae was a caring, sharing, friend, classmate who became a family member(wife of my cousin Louis Willis). A dedicated Nurse, Administrator, wife, and mother. Johnnie would give the shirt off her back. She quietly gave assistance that improved the lives of so many; always catapulting them to another level. Moreover, she was quiet, a rare jewel, my Friend. I will always remember the support that she showed to me right out of College. Many fun experiences we enjoyed. When Tonia called I was devastated. It seems like you were always there. NOW....I miss you! God continue to strengthen Tonia, & Family. Carolyn & Charles*

“ *I am so sorry to hear about the home going of sister Willis. Willis was the secretary of the GCMBC mission for over 13 years. I always told her she was the best secretary in the whole wide world. Yes to me she was the best secretary ever, the mission loved her! She was such an an access to our ministry. When we went to feed the homeless she always made the spaghetti and meat balls, she not only was secretary but she also filled in as treasurer. I can not express how much she will be missed, her loyalty, her record keeping, as well as her thirst for God’s word. I talked to her last Tuesday as she was trying to get hooked up to zoom so she could join the Pastor and our Greater Community family to enjoy the teaching and understanding of God’s word. I heard she got on zoom that Sunday to God be the Glory. I am happy about that, because she was about to give up. I know that she is resting in the Lord. Sister Willis was a great servant, she seemed to love the work she was doing serving God’s people. I was her number one fan, I know one day we will meet again until then I say sleep on my friend. Tonya I offer my sincere condolences to you and your family. The GCMBC Fresh Harvest Mission is here for you, if ever needed. Tonya as President of the mission thank you for sharing your mom with us. We are here for you. Love you! Mary Smith and the Fresh Harvest Mission Ministry.*
