“ I remember my cousin as a strong will person. When I was 14 my mom made me and my sister baby sit Yolanda and Jonathan (that was her way of keeping us from getting into boys 😊) Yolanda was such a little sweet lady.

❤️ But my baby Jonathan was all boy. We went south every year for the summer I was about 15,16 this summer. Jonathan was about 9,10 months old he was my baby. He got a hang nail in his little pinkie toe. He cried and was so irritated and did want anyone to hold him but me 😊. I had to take him everywhere I went that whole summer.(bathroom breaks included 😊) I was so tired of carrying him that summer. But lord I thank you for giving me the pleasure to give the love to carry my cousin when he needed me. 😭 God bless and be with you my little cousin. I'll forever love you until we meet again. 😇

“ I remember you when you were a little boy ALWAYS following your big sister "Londa" around. Super CUTE and annoying (just like my baby sister....lol)! I loved you so much, you were the baby brother I never had. May God Bless your soul, keep and comfort ALL who loves you in the only way the Lord can❤️
