“ *Hello. My name is Cherie and I used to work at the nursing facility where Joseph resided. Even though I only knew him short a year, we created a bond like granddaughter and grandfather. "Granddad" as I would call him, meant so much to me. I loved him very much and it really hurts me that he is gone. I know that he's no longer suffering and he is with the Lord rejoicing in his Kingdom. I will always have the memories of him talking to me, sitting with me, laughing etc. He was a sweet soul and wish I had more time with him. My condolences, prayers and love go out to the family. God bless you always and God bless you granddad! I love you and rest peacefully.*
