God saw you getting tired 🕊️
God saw you getting tired
and a cure was not to be
so he put his arms around you
and Whispered "come to me"
With tearful eyes we watched you As you slowly Slipped away
Although we loved you dearly
We couldn't make you stay.
Your golden heart stop beating your tired hands put to rest
God broke our hearts to prove to us
He only takes the best 🕊️
LOVE YOU, big sis April
