“ *Brother Joe Smith , a family friend, neighbor and church family member . Bro. Smith worked harder than any man his age. I was amazed when he dug trenches for a sprinkler system he was installing at one of his properties. He told me he would help my brother install one at our home. I replied, no thank you, I don't have a brother who would do that much physical work 😊. He was a good man who worked hard as long as he could and now he rests from his labors. Sister Smith and family be encouraged , we are praying for you. Blessings, Alfreda" Fredi" Binion*
