

Mrs. Josephine Carr Collins

August 23, 1934 - January 28, 2020

In Loving Memory Of;

Josephine Carr Collins was born on August 23, 1934 in Elizabeth, Mississippi to Leroy and Inez Carr. Josephine accepted Christ at an early age. Josephine attended Booker T. Washington High School in Memphis, Tennessee and attended Lemoyne College in Memphis. In 1955, she moved to Chicago, Illinois and was trained as a medical technician. After completion of training, she began her career at St. Luke Presbyterian Hospital.

In 1971, she moved to Detroit and made her profession of faith at the Community Christian Reformed Church and also worked as the secretary for Rev. John Steigenga, pastor of the church. She attended Marygrove College to study child development and also completed courses at Crossroads for Community Work on Hunger. For two years, she served on the Board of Directors for New Center Mental Health Clinic.

In 1975, Josephine created with Rev. Steigenga, what we know today as the organization known as the Community Assistance Program (CAP). Josephine was the director of CAP for more than 47 years and was still a contributor and advisor at the time of her death. Josephine assisted thousands of people of the west side of Detroit with humility and compassion each and every day. Even at the golden age of 85, she never considered herself retired.

Josephine enjoyed studying God's Word, fishing as often as she could, reading or just sitting on the pier in Ludington or Pentwater. She cherished her family and friends and loved to fellowship, even having a yearly birthday fish

fry, which is how she wanted to celebrate her birthday. Still giving and supporting her community on her day of recognition.

“ *Mother, thank you for all you've ever done to make me the man I am today. I will never, ever be able to convey in words what you meant to me, our family and our community. I am incredibly sad that I can no longer hear your voice, but I take great solace in the fact that your able to finally rest in peace. I hope you knew how much I loved you immensely and I will have indelible memories that will last me for as long as I'm able to breathe. We love you and miss you more than life itself.*
