“ My deepest condolences for your loss. Your mom was such a warm person. She made my mom feel so welcome when she moved in next door. They quickly became great friends. I loved listening to her life stories and she always made me laugh. She will definitely be missed.

“ To Carl and Stuart, your mother and I were the best of friends. We traveled, we shopped, we sat together and laughed in Church. Everyone thought we were Sisters. And we were. I loved her as a sister, and She loved Me. Katie Ellington
