“ *I want you to know that I miss you so much. I wish you were still here with us. You didn't deserve this and neither did we. God knows best and your back in his arms. I know you'll keep a good watch over all of us. This world just wasn't really for you. I love you to heaven and back. Love you always my Lil love bug!!!!*

“ *There are no words to express the sorrow in our hearts that we have for the Johnson family. We can't begin to imagine what you're feeling, but please let us share our deepest sympathy. May the support of family and friends be a source of strength and the God of comfort a refuge in your time of need. Thinking of you all.*

“ My sweet baby boy. Today is going to be really hard for me. I know that your in heaven and doing just fine. I wish so bad that I could turn back time and bring you back, my lil Butt Butt. Mommy misses you so much. I miss your smile, your laugh, and you playing with your brother. Keep watching over us especially your big sister she's trying to stay strong for me. She was like your second mom and spent so much time with you. I know that she is hurting but she's so worried about me. Come visit us in our dreams. I look at your picture everyday and kiss you. Man I wish you was here, this was not suppose to be it for you. You were going to be the next big thing my lil Love Bug. Man I miss you so much. My heart hurts so bad. I just try to think what would you want your mommy to do. I'm going to try and stay strong for the rest of the family. I LOVE AND MISS YOU DEARLY TIL WE MEET AGAIN!!!! Kiss Mama and Big Buddy for me my lil Rose and tell everybody I said hello. Mommy Loves you Always Butt Butt My Angel.
