

## Mr. Joshua Aaron Marzette

May 1, 1989 - May 19, 2013

### His Journey:

On May 1, 1989 at 8:12 P.M., a star was born and our lives were changed forever. God sent down one of his little angels to brighten up our world. His name was Joshua Aaron Marzette and life as we knew it would never be a dull moment. Joshua has made an extraordinary impact on so many lives that the list is never ending. Everyone can think of at least one time when his outgoing personality or distinguished smile has touched our lives.

Joshua was a very intelligent individual. In fact he always thought he could outsmart someone. He never backed down from a challenge and undoubtedly refused to be defeated.

Joshua was an honor roll student and an exceptional swimmer at Southeastern High School. If he wanted, he probably could have been the next Michael Phelps, but instead Josh had another plan, he wanted to be just like his dad. So he followed in his father's footsteps by pursuing a career in management. His journey began at KFC and went on to the Marriott Courtyard, then to the Big Salad and presently, Taco Bell.

Joshua departed this life on Sunday, May 19, 2013 at 1:55 A.M. at Providence Park Hospital in Novi, Michigan.

“ *Hi cousin/brother! I miss you and think about you frequently. I often wonder how you would have been, your interaction with my babydoll and all the celebrations we would have had. Love you little cousin, until we meet again* ❤️

“ *My dearest lil cousin/brother. These last few days have been very emotional for me with you and Daddy's birthday just passing. I try to not get consumed in grief but it's hard and I'm really missing you. I try to remember all the good times we shared, just last night the Tupac song came on that I made you remember when you were little lol, I rapped the whole song while tears fell down my cheek. Continue resting baby cuz, until we meet again. Love you*

“ *My dearest lil cousin. I miss you so much. We were more like brother and sister than cousins. I miss your contagious smile and funny demeanor. I know God knows best so I wont question Him, but he really called a great man home when he came for you. I'm having a little girl in December and I know you would have been a great big cousin to her as I was to you. Love you dearly cousin, and see you on my day of reckoning. Hugs and kisses to heaven! <3*

*Josh I hate that my last time seeing u u would be in eternal rest. We used to be so close u use to call me your big sister. I wish that we would have never grew apart and that we stayed close. All I can do now is live off of memories like how u use to hustle us at kfc when u was no older than 12 running our drive through and charging us \$20 each time and u wasnt no fool because u made us pay u upfront and not afterwards lol or how when we would be riding buddies at cedar point and getting off the roller coasters crying like babies and Nate and Sabrina telling us to stop acting like some lil punks lol but all in all just wanna say I love u and u will be in my heart forever until we meet again...Love u always*

“ My best friend, my mentor, my Pops! I miss you so much. I am really struggling knowing I won't hear from you everyday anymore. But for Karmin, I am trying to be strong. I am. I remember the night we first really kicked it. On 14 and 75 of course. Lol. Then I remember when we became father & son, and I thought it was a joke to you but as we got closer and began getting more comfortable around each other I felt the seriousness of our title. Remember that drive we took rocking out to Beyonce' '4'? We were two emotional messes that night smh, driving to just be driving. Yo! The night you cooked for all of us in Waterford was too chill, everytime I see Bridesmaids I think about you and your unique laugh and big ol teeth lol (still a nice smile). The numerous talks we had about whatever, whoever, whenever I will cherish the most. Thank you for the advice you gave me before moving to AZ, and I am happy I ended up making you proud by coming here. And it meant more than you know that you came out here to visit me, and we all got to hang out as a family. You are an awesome bowler lol who knew. Lastly, thank you for making sure my 23rd birthday was awesome! The card and the balloons were the best gift I got that day. You went out of your way the whole weekend I was home to make me happy. I will never forget that! Ever! I am thankful for your family; they raised a good man, a man of God, a man who was humble, and a man who treated people he cared about like gold. I texted you today. Ha. I don't even know why. I'm sure you saw it though, up there kicking it in Heaven. Straight cooling. I am satisfied knowing you are at peace but upset that we didn't have more time. I know its selfish so please forgive me, please forgive me for not being able to spend time with you on your birthday. I wish I could of. I think I am rambling now so I just want to say thank you again for everything and I miss you but I have a lot of good memories to think about and a Facebook video or a million of you to watch lol. See you soon pops. Love ya, DJ.
