“ I experienced endless love whenever my Aunt Joyce talked about my mother Mary Joe. If you didn't know any better you would think at any moment this sister of hers was going to enter the room, but because of her love she never left. After 40 something years she would call and tell me “ Mary said to call and check on you and Larry”. Now I'll make the call and check on Tenisha because that's what her mom wants me to do. Love always Tina

“ When I was 12 years old all the little girls in the neighborhood had their ears pierced. Joyce noticed I didn't have mine pierced. She asked me did I want mine pierced. I told her yes. Joyce then told me to ask my mom if she could take me to get my ears pierced. I asked my mom and she said yes! So Joyce took me and got my ears pierced. After that I felt like a young beautiful lady. That moment impacted my life forever. Now every time I look in the mirror to put on my earrings I think of Joyce. I will forever be grateful for her selfless act.

To EB and family:  
And God shall wipe away all tears from their eyes. Revelations 7:17  
I am joining all your other friends in expressing my deepest sympathy in the passing of your love one. Only in hours like this do we know in fullest measure the consolation of His promise:  
I am the Resurrection and the Life, saith the Lord, he that believeth in me, though he was dead, yet shall he live. In the fellowship of this faith, I extend a loving hand of sympathy and understanding.
