“ *I just found out today Joyce had past on October 12th. I got to know her as a warm hearted loyal friend and colleague to my future wife Jackie Field in 2001. They were both working at the Kelsey Hayes/ TRW plant in Brighton, MI. Joyce repeatedly was mentioned by Jackie in the anecdotes and memories that went back to the time they worked side by side at TRW. They were working hard but they also had a lot of fun among each other at the same time. More than once Jackie would describe how Joyce would dance the 'Mashed Potatoe' at work to perfection on Dee Dee Sharps's tunes, putting a big smile on everyone around. Both Jackie and Joyce have seen the closure of the TRW plant in Brighton where Joyce worked for 20 years and Jackie 17. Jackie passed away in December 2013 and it was a blow for Joyce to loose her. We kept up contact through Facebook and occasional personal messages. Today I would like to pay my respect and say my goodbeyes to Joyce, a real heart felt, pure person as I got to know her and a very dear friend of Jackie.*
