A BFF who loved life and cruising for which we shared-I will miss hearing about her trips with her family and friends. There is a great void being left with Joyce's demise. Janine I missed hearing about her decorating for Christmas and being the oldest child on the block when it came to Christmas. Her smile and laugh was affective and made me laugh many times. When she cried it touched your heart. However, she is resting in the bosom of her favorite (Christ Jesus). My thoughts and feelings can't really be expressed at this time-just know that she was very special to me. You know you absolutely are in my prayers. Love youse guys. Oneta
