Chose a yellow candle because one meaning of a yellow rose is: Promise of a new beginning...Your journey has begun..I posted something from the family earlier and it went to the corn field..LOL some people may think this inappropriate but they don't know our family...you and Uncle Fella never minced words. I can hear you now get out of hear with all that mushy stuff don't want to hear it..LOL... well we did get to the point where we could say I Love You..so Needer, Needer, Needer...Love you Auntie. Now find your Sister and blow everyone away with a duet. Hugs and prayers to the family for strength...Love The Eddins & Arringtons aka Tweetie, Flossie, Nitra, Junior, Eric and Journee

“ One definition or meaning of a yellow rose: Promise of a new beginning...you've made the journey home and found peace. We know you were never one to mince words or into that mushy stuff as you would call it and not until recently had we actually said I love you to one another, I am glad that we finally did. Now find your Sister so you can blow that choir away with a duet. To the rest of the family I will be praying for strength and Gods love to hold you up. Love the Eddins-Arrington Family a.k.a Tweetie, Flossie, Nitra, Jr, Eric and Journee
