“ James Family, I understand how it feel to loss such a Loving and caring love one. We found ourselves questioning God as to Why he takes away the GOOD People from our lifes, but in doing that, a friend of ours lost her husband and she told our" God wants beautiful flowers in Heaven with him." so and knowing that, Juan is now apart of God beautiful flower Garden! We are praying that God give you'll the strenght to endure the lost of a very caring, father, Son, Famiy Member, Co-Worker and Nurse to his Residents. He is missed so much and will continue to be missed by Blvd. Temple Staff and residents. you have our deepest sympathy and we will continue to keep you'll in our prays.

“ There are no words to express the loss of our friend and family member Juan. We became friends after I had car trouble on my birthday and Juan helped me without even blinking. That is who he was! The guy with the big heart and smile, who helped and touched the lives of everyone he met and made a positive impact on the lives of many, including mine! May God bless the family and help them find comfort knowing what a beautiful person Juan was and that he is now at peace with no worries or pain!

“ James family, I can feel and understand your pain, because I have walkked in your shoes. I question God as to why he would take the GOOD people from us, but in talking to one of my friends who had also lost a very close love one told me" God want beautiful flowers in Heaven." So Juan is now part of God beautiful bouquet. My family is praying that God give you the strenght to battle the loss of such a loving and caring, father, family member, friend, co-worker and nurse to his resident.
