“ TONE, you've been a great friend to us and we are thankful to have had you in our lives. We called you our brother because that's how we felt, a good hardworking and caring man. Your laughter and smile will be imprinted in our hearts forever. Blood didn't make us family but the LOVE we had for each other did. Each time we see a Harley or hear music playing from a guitar or the smell of coffee brewing we will always remember those things as your trademark. This is so hard, we can't believe that your gone. We miss you Buddy, Love always and forever SHAWN AND ANGIE
