“ *I was introduced to Juanita through a friend, from that second on she made me feel as if she had known me for a long time. She always had a kind word to say or a gesture that made me feel good. Her smile and conversation always brought a smile to my face. :-)
Family u can rest assure she is smiling upon us from above without any pain or sorrow. May God comfort you and let u realize she is not gone forever she just made it home before us. God Bless!!*
