Celebrating The Life Of Juanita Mitchell:

Juanita Mitchell was born on May 20, 1964 in Flint, Michigan to Annie Mae Mitchell and Eugene Mitchell, Sr.

Juanita accepted Christ at a young age. Juanita attended the Detroit Public School system. She graduated from Henry Ford High School in 1982. Juanita later pursued her education at Davenport University, majoring in Health Information Management.

Juanita worked at Chrysler Sterling Heights Assembly Plant for over a decade, where she ultimately retired.

Juanita was the spontaneous one that always wanted to try new things, even if she only did it once. She just wanted the experience of something new.

Juanita was the peacemaker of the family, she had a way of convincing you to look at the situation from another view. If you ever needed very honest and unbiased advice, Juanita was the one to go to. She would absolutely let you know if you were in the wrong or right, but she had your back either way. Juanita was an avid reader. When you saw Juanita, there was a book very close by.

Juanita truly enjoyed being around her family. She was an incredible support system. Her three grandchildren were her absolute world.

Juanita departed and made her transition from this life on October 5, 2017.
