“ Hi my name is Diamond with no "d" at the end, and I'm one of kb's friends, she showed me alot of things that I wanna thank her for, I'm going to miss her so much especially because when I need to talk to someone about something she would be the one, and what ever we talked about she wouldn't tell anyone, not even her bestfriend. K'Brianna is always in my prayers and always on my mind. Rest in a bigger and better place K'Brianna And I'm sorry I missed your funeral. ~love Diamon

“ *Today is another day that the Lord has made. Let us rejoice in it. I am so heavy in my heart for KB's family. My prayers are with you all. She sat on my porch many of days with my son and other friends because I wanted to keep them safe out the streets. Life is a journey with very bumpy roads. Lets enjoy and love each other while we still can. KB has left an impression in my heart. God bless her innocence in heaven.*

“ *I'm sorry for your loss. I know it can be rough dealing with the death of a loved one, especially one who was so young. God offers us comfort though, in our times of distress. One way is by means of his words the Bible. Roman's 15:4 says "All the things that were written beforehand were written for our instruction, so that through our endurance and through the comfort from the Scriptures we might have hope." Dealing with the loss of a loved one is tough so I hope me sharing this with you will help you in your time of need.*
