“ Janeen and Janelle, I am deeply sorry for your loss. My sympathy goes out to you both as you struggle through the grief and sadness. Gone from our sight, but never gone from our memories; gone from our touch, but never our hearts.

### *Gone From My Sight*

*I am standing upon the seashore. A ship, at my side, spreads her white sails to the moving breeze and starts for the blue ocean. She is an object of beauty and strength. I stand and watch her until, at length, she hangs like a speck of white cloud just where the sea and sky come to mingle with each other.*

*Then, someone at my side says, "There, she is gone."*

*Gone where?*

*Gone from my sight. That is all. She is just as large in mast, hull and spar as she was when she left my side. And, she is just as able to bear her load of living freight to her destined port.*

*Her diminished size is in me -- not in her.*

*And, just at the moment when someone says, "There, she is gone," there are other eyes watching her coming, and other voices ready to take up the glad shout, "Here she comes!"*

*And that is dying...*

“ *My sincere condolences to the Guest family and friends of Kandis. I hope you can find comfort during this most difficult time. God wants us to pour out our hearts to Him and trust in Him. He will be your strength and refuge promised at, Psalms 62:8. I do hope and pray you find peace.*
