“ Karen from Earth to Heaven our connection still lives the bond is what gives. You took your last breath and I shed my watery tears. After all these years you were a true friend to me. Now I'm left to solve this mystery but I know glory is a place of joy. Love is a emotion of the greater feelings spiritually. I am at peace with myself knowing you are not suffering.

To the family, you have my sincere condolences. Karen was a "Sweetheart"!

I worked with Karen at OnStar over six years ago and she always had a smile and would always help out when I needed help. Karen was always pleasant.
