“ *Sending love to our family the Findley's for the loss of their dear Karen. Even though I could not be with you in person I' m with you in spirit. I pray for your strength during this time of sadness and loss. My fondest memories are of Karen as a little girl when your family would visit our family when we lived on the west side; she was always into something (smile). I love you and will continue to pray for all of you.*
