“ *Rest well my dear friend. I have many great memories of our times together. My heart is sad but I am glad you are no longer in any pain.*

“ *Karen was always a wonderful woman. She was always fun to be with and had an extremely kind way about her. Karen worked harder (literally) than any woman I've known, to provide a good life for Leroy and Lena and continued to do so as a grandmother. She left an amazing example to follow.*

“ *Karen was a dear friend. We go way back. She was a woman whom I admired and longed to be just like her. So strong, caring and always had time for you. I was blessed to have her in my life. I will miss you my friend but will cherish the memories and fun times we shared. God bless. Nati Campos*

“ *Karen was a wonderful co-worker and friend. No matter how busy she was she would always stop to help with questions if you were a new worker at our very difficult job. She had a beautiful smile that would light up a room and she was always such a joy to be around. Karen was a true sweetheart. Heartfelt condolences and love to her family. ❤️*
