“ *The feeling I'm feeling bring so much pain but I can't be in pain because I know she wouldn't want me too or any of us I believe the pain is just another for how much love thats in the pain and its so hard because it seem like just yesterday I was in the backyard just talking to my granddad or just doing what I do and you coming out the door saying "hey josh how you doing " those words are not just words anymore they are the love and memories I will keep forever I miss you so much auntie Karen*

“ *My dearest Karen, the Lord has called you home to Him, it was His will to do. I must ask the Lord why so soon, we had many more conversation left, so many giggles and laughs about silly things, also about this life. I love you Karen, my sister, my friend and one of the best women I know. You will truly be missed, you are loved so much and our tears will not dry anytime soon. Our hearts will ache, your presence was that strong we were not near to you, you were that type of person. So I painfully say good-bye, I will miss you forever my SisterGirlFriend Karen E.*
