“ *To The Parker Family;*  
*There are no words to express the pain felt by the loss of a loved one; however there is comfort in the words and arms of The Lord God. He is always with you and can provide the greatest comfort there is. And do know this; I am and as long as The Lord permits, I will be here for you. Anytime, day or night at your beacon call. I love you all and feel blessed to have been given such a wonderful extended family. My prayers are with you and for your memories of Keenan to not bring pain, but bring comfort and love. For his spirit and love carry on within you.*

*Keenan;*  
*Your beautiful smile and our great conversations will be truly missed. We re all very selfish in wanting you here with us, versus you're being free of your pain and being in the comfort and warmth of the light of God. May He bless and welcome you home and; comfort and bless those you left on this earth to carry your loving memory.*

“ I met Keenan in the hospital and I found him to be a nice young man. I would talk to him about God and invite him to church. I also told him that when I got my car I would come and get him so we could hang out. I am sad I never got the chance to do that. I miss him so much. To the family I offer my condolences and prayers.
