“ *When we graduated high school together all those years ago, our adult lives were still ahead. I couldn't imagine Keith that all these years and memories later you would have become a close family friend. You were a master host manager at a few neighborhood bars where me and my family joined others for many nights of good company and events. You were the source for so many "get togethers" where your big smile welcomed us to safe spaces. I will genuinely miss you Keith and what you meant to my family. May you rest in peace and love always. ~Judy Roberts*
