“ *Big cuz...over the years, distance is the only thing that has ever separated us, because whenever we talked over the phone or saw each other, like flowing water, our conversations and time together was smooth and continuous.*

*Keith is your name...cousin is your title...but your position has always been...my mentor, my friend, & my big brother...well older brother, because I'm bigger...lol.*

*Big cuz, until we meet again...from me to you...and in your words..."I luv you boy!"*
