“ I am shocked and lost for words. Very funny and known to speak her mind. Clear and empathic values that I cherished with my memories of her. I pray for her family and her children. Very much a missed person and a great mother.

“ *A Life gone too soon. To the family, I am sooooo truly sorry for your loss. You haven't had the time to grieve the loss of your mother, sister Tanya. Lord, please watch over this family, and keep them from all hurt, harm, evil, sin and danger. Lord, continue to keep your arms of protection around them and give them whatever strength they need to get through this in Jesus Name. Amen. Family, be strong in the Lord. I will continue daily to keep you in my prayers.*

God Bless
