“ Kelvin Watts, A.K.A (Earp) was a good friend of the Phillips family. My father absolutely loved Kelvin as a son and we loved him as a brother. Earp and Tally was inseparable throughout their years together. Rest in peace our brother. To the family of Kelvin Watts, Those we love can never be more than a thought away; for as long as there's a memory, they live on in our hearts. The Phillips brother's send our deepest condolences.
