“ *I'm going to miss you, big guy. I already miss that look you always gave me when I did something weird or started snoring at the campground. I'll keep in my heart all the memories and the hugs and we'll take good care of the kids and Somer. We are Family forever.*

“ While I never had the pleasure of meeting our dear Somer's husband in person, he was a lively topic in our conversations in the office. The thoughtful gifts for his loving wife and their beautiful relationship and Kenneth's wonderful role as a father to his children. I know that memories-- however vibrant--seem a poor substitute for the real thing. A man of this statute and character and love will live on the the memories of all who knew him.

*My husband, god daughter, and great god daughter share in your sorrow and hope that you will remember the happiness and beauty of your lives together.*

*Love,*

*Sally, Hal, Alexis and Alexa*
