

Mr. Kenneth Branham Porch

March 12, 1953 - October 18, 2017

Celebrating The Life Of Kenneth "Top Dog" Branham Porch:

Kenneth "Top Dog" Brennan Porch was born in Detroit, Michigan on March 12, 1953 to the union of John Henry Porch (who preceded him in death) and Lola Porch.

Kenneth attended the Detroit Public School District where he excelled in art. He was extremely talented in drawing animals of all kind. His hobbies were drawing, skating, swimming and listening to old Motown sounds. Kenneth had a natural aptitude for music (especially the Motown sounds). He could identify every record, listing the artist and year the record was released in an instant.

It is said that everyone who is born into the world comes with a purpose. Some are born to accomplish great things, others are mediocre accomplishments and others are to impart lessons for others. Although Kenneth did not accomplish great or mediocre things, his purpose was to impart lessons of unconditional love. That is said to be the secret of greatness.

Kenneth will be remembered by all for directing and escorting family members and guests to our family gatherings.

After a brief illness, Kenneth passed away peacefully at home on Wednesday,

October 18, 2017.
