“ *My heart and prayers go out to the Primm Family and Friends at this difficult time. I only have fond memories of Uncle Ken as a child growing up in Detroit. The loving home that Aunt Kathy & Uncle Ken made everyone feel warm and welcome. I remember the exciting stories about summer trips to the farm in Tennessee. I always wished I could go with the boys, just once. But upon their return, we always anticipated the fresh fruit, vegetables and a good old fashioned pig roast that brought family and friends together to talk, play and share.*

*The positive energy, the love, and the life lessons from them will always shine in their children, grandchildren, great grandchildren, and a host of extended family. As much as everyone will miss him, remember that he is in a good place watching over his family. He is feeling no pain and he is happy. I love you all. God is watching over you.*

*Always,*
