“ *I love you so much uncle Kenny. I really wish that I had more time with you but I feel so blessed for the memories that I do have. It won't be the same not seeing you at the family events and you telling me how proud you are of me and how beautiful my family is. You always went out of your way to tell me that. I can still hear that laugh and see that smile. You may not be with us anymore but you never be forgotten. You will truly be missed.*
