“ To Kenny's Family,
I was heartbroken to hear about Kenny's passing. He was more than a friend, he was a guiding presence, always ready to share his love for skating with anyone who needed help. His kindness, patience, and passion made the rink feel like home, and his encouragement lifted so many of us up.
I hope you find comfort in knowing how many lives Kenny touched, and how deeply he will be missed. My thoughts and deepest sympathies are with you during this difficult time. With heartfelt condolences, I am sorry for your loss. RIH Kenny.
