“ *Ken and his family were neighbors of mine and our sons went to school together. Ken was a kind and gentle man and will be sorely missed. May he rest in peace.*

*My thoughts and prayers are with his family.*

“ *To the Taylor Family: So very sorry to learn of Kenny's passing. Much too soon, but I understand he was battling all the way. I never worked directly with Kenny at the Firehouse, but we knew each other from work related activities. He was one of the 'Good Guy's', dependable and trustworthy. He could take a jab and he sure could hand them out too. Please accept my condolences.*

*Frank Coutts, Captain/Paramedic Coordinator, Retired, Southfield Fire Department.*

“ When Kenny and I hired on to SFD he had 14 years experience at Highland Park and I had zero. He taught me things about FFing that would have taken years to learn on my own. Not all of those things made our Lt. happy all of the time. One of Lt. Rakestraw's common questions on a fire scene was, "Where's Kenny?" B/c Kenny was off somewhere doing some of his Highland Park FFing. Then Rick would look at me and say, "Keep an eye on him" to which I would laugh and roll my eyes.

Rick, Kenny, Myself, Melissa, Dave and Bounds were, I'm sure fondly known as *The Family*" at Station One "C" unit. We had some rousing games of ping pong at the station trying to conquer Menifee's 6' wingspan. Kenny had some mad ping pong skills...who knew?

Kenny was a true and loyal friend to me and anyone else fortunate enough to be called a friend. He was so proud of his grand babies and always had photos to share.

Kenny, you will be missed and there will be a sadness in my life knowing that there will be no more lunches with you to look forward to...but, I know that you are suffering no more in your worldly body and you are face to face with our Lord and Savior. I will see you again one day my friend.

“ Ken was a fun loving person and a true outdoorsman. He and his family introduced us to camping and we had good experiences with fishing and cookouts. Thank you for those memories Ken. May you rest in peace with God.
