“ *Kent was the first person that I met when my family move to the neighborhood in N.W. Detroit. As young people growing up in Detroit there was plenty of mischief that we got into along with the many people that were in the neighborhood. That was a time when we all lived in a time of innocence before life made us realize there was more to it than hanging out.*

Kent along with Andre Young, Rock Campbell, Lil Lite Brown, Lonnie Flowers, Kevin Valentino, Fred Graham used to make noises that began to sound like music over time.

I remember Kent as someone that loved to have fun, laugh and joke around.

We affirm that death is never the end but the beginning of another journey.

His spirit will continue to live on in our hearts and minds. And he is never far away . All we have to do is think of him and he will always be with us.
