“ You were my best friend. I apologize for the time and distance that was never conquered. We never realize how simple to overcome until it's too late. Thank you for sharing your life, laughs, a few cries, fights, love and secrets with me. DD misses you Bubba. Give my Mommy a great big hug and kiss for me. Love you forever☐

“ Uncle Kevin,
I will truly miss you and that big kool-aide smile. But no what you made sure that the kids knew who I was and had family time with us.. Uncle Kevin I am truly lost for words because, I didn't have time to tell you that I love you and that i will miss you. We always ended every conversation with I love you. So I will leave it like that!!!!

Love your Niece,
Sabrina
