“ I met Kevin in 1990 when I was fresh out of the military and driving a taxi. He was a fare that I took down to Club arábio. I asked him if he had ever thought about driving a taxi. He responded, “Naw Bro.” He proceeded to pull out a knot and told me that was his previous night tips and that I should come work with him. I’m so glad that I took him up on his offer! That was the beginning of a great friendship!

“ My partner and I moved in next door a year ago. Kevin introduced himself one snowy night while we were shoveling. He was always a calming presence in the neighborhood, the “Mayor” as his friends and our neighbors would describe him. We were so blessed to have gotten to know him. Our sincere condolences.

“ Kevin was an awesome guy! I remember meeting him when I first started working at WTAP in 1995. He would have the Ram Pool ready for us at lunchtime. Only guy I knew that had a pool in the back of his Ram. Once I came over to the trades, we would have long talks and he gave me plenty of knowledge. I thank you Kevin. You will be missed!

“ *My beautiful cousin is now gone to heaven. I'm really going to miss you. You were the family historian. You kept us laughing on the family group chat and always had some kind of healthy tip. When I was going through my health challenge, you made sure I was doing ok. I'm really going to miss you. You were so kind and gentle. I love you to the moon and back cousin. God now has himself a real angel in you.*
