“ To the Family,
You all have my deepest sympathy. Kia was a beautiful person inside and out. I had the pleasure of meeting Kia almost 10 years ago this September, servicing as her beautician for her haircare needs. She is one of God's Angel now! RIP God Bless!!

“ I remember when I first met Kia. She was glowing with excitement about becoming a mom, and I was just as thrilled about being an aunt. We talked about baby names, and when she mentioned Dominic, I instantly thought it was perfect. We hit it off right away, and it felt like I had gained an awesome older sister.

Over the years, she was always there for me, giving the best advice about money and inspiring me to get my act/life together. She made juggling work, being a mom, and having fun look so easy, and I wanted to be just like her. She was my sister and mentor. Gone way too soon, I'm really going to miss her.
