“ My Girl Kim,

Where do I start...you have so many good qualities I'm sure everybody can agree. I'll start by saying you are a beautiful Mother and Wife. I've always known you to make sure you took care of your kids no matter what. My family moved down south so we lost communication but we never lost touch. Anytime I called to check in y'all was always turned up with that genuine love we all feel in our hearts for our sisters and will never let go.

You touched so many lives with that beautiful smile and put so many others in check with that spark of fire only those close to you can see coming. Girl I love you ❤️ we shared a room together, ate nachos and watch In Living Color, I miss you friend rest in love. To your family who I love through you may your heart be comforted by our God with this scripture and verse. Love Auntie BB and family.

Philippians 4:19 King James Version: But my God shall supply all you need according to his riches in glory by Christ Jesus, Amen!
