“ I first loved Kim’s mother and grandmother as part of our neighborhood family, and I proudly proclaimed myself an “older sister” once Kim arrived. I remember watching Kim grow into a preteen before my family left the state and I began college. I’ve only returned three times since, and I regret not having the opportunity to reconnect with the family.

To any family members who come across this post, Vicky, The Fords, Stephanie, I’m praying for your continued resilience and unwavering love for God.

“ Kim, my heart aches at hearing of your passing. Working with you in the County Clerk's office was truly something special. You made me laugh all the time. You were more than just a friend. You were more like a sister. Our supervisor Tim always referred to us as brother and sister. You are truly missed! Rest In Heaven's garden! Love you always lil sis.

“ *I am so sorry for your loss. Faith consists in believing when it is beyond the power of reason to believe. You have to believe that Kimberly was here for a reason and your connection could never be broken.*

I remember when Kim got saved, so no matter how bad this loss hurts us, she has gained what we all hope to achieve in our afterlives. I love and always will lover her. She was a breath of fresh air in a polluted world. She didn't wear masks or false personas. My heart weeps.
