“ *Kishawn.... you made an impact in my space and a lasting memory in my heart. You were the big sister that I didn't get, and for that thank you. I met you 20 years ago FIA and created lifelong Adventures! I'll never forget ..from a run through the cemetery on a dare , hanging in New Orleans, and up late making potatoes and onions. Never in a million years I thought I'll be writing this or feeling like this today. You're a definition of a lady, friend, a secret holder. God bless you and your family May 4th never be the same. I'm going to miss your laugh till tears the most! God bless your mommy n dad n Keg  
Love you Ki" ya godboldo*

“ *KiKi was my chapter sister, coworker & loyal friend. She did everything in the spirit of excellence. She was a fashionista, kind hearted & dependable. We shared a love for family & would talk about caring for our elderly grandparents. Her Papa was from Arkansas like both of my Grandfathers. She adored her family! I can still hear her laughing. Thank you Sirman's Family for sharing her with us. She's already missed.*

“ To the Sirmans family: My heart goes out to you all, haven't seen Kishawn or Kevin in years but the memories of us at church everyday almost helps us to never forget someone. Kishawn was very sweet and humble as a young person in church and I'm sure that type of personality stayed with her in adulthood. It hurts to hear that we have lost another New Grace Cherubim or Vibration so soon. May God continue to watch over Ms. Sirmans, Kevin, and all the family and keep you in his arms of comfort. *Prayers and condolences for you all Kevin. I hate that the way we all who grew up together reunite this way. I see you both in your not only Easter best but your Sunday's best. Your mom kept you two dressed nice and Shawn kept it going. God bless you and the family.*
