“ *K.C. I remember when you were born you were such a cute baby. As you got older .. I remember coming to the school that you ,Aaliyah & Essence attended. the teacher telling me that you went upside another kid head lol for picking on and hitting Essence. Even though you two were only 3 months apart. You were so over protective of her and didn't play about any of the family. I'm so glad that you reached out when you did and we had that conversation .You truly touched a lot of people in the time God had you here on earth. You will be truly missed Love Auntie Chandra and Family*
