Ketta,
Do not let your heart be troubled. You believe in God; believe also in me. My Father's house has many rooms; if that were not so, would I have told you that I am going there to prepare a place for you? And if I go and prepare a place for you, I will come back and take you to be with me that you also may be where I am. You know the way to the place where I am going. Your Baby Boy (Angel) is there with God waiting on you. You will be reunited with him Again. May God's Grace bring you strength, comfort, and peace.*

My heart is hurting with you.

Love, Brenda Webb
