“ *La'Grande no longer being here is still so unreal. He was more than a co-worker to me. He was my bratty big brother. Although the pain is deep, I take solace in knowing how much he was loved by not only his Detroit family, but his Atlanta family. May God continue to cover you during this difficult time of transition. Thank you for sharing him with us. I will miss him dearly. God Bless*

“ *I have many memories of our LaGrande which all make me smile. One of my favorites was during lunch at work, he gave each of us a scene from Scandal to act out. We laughed and joked as we guessed the characters. I pray that this memory and many others will bring comfort to know that LaGrande was a shining star who brought light to many. His kind heart and his gift of bringing us together are already missed. Peace and Blessings*

“ Praying for you and your family during this sad time. LaGrande had such a sweet spirit and was a very soulful and wonderful person. Sometimes we don't understand these things but I pray that you will find comfort in the Lord and keep the memory of LaGrande close to your heart at all times. We worked together and his beautiful smile and his wonderful laugh is missed every day and some days I can faintly hear him laughing and saying "It's time we all had some fun and fellowship." God bless your family.
