“ *I miss her so much everyday and it hurts so bad. She was my best friend literally back in elementary. It hurt so much knowing I wouldn't see her the next day. I love you.*

“ Yancy & Deb

I can't even pretend to have words for a time like this. As a parent, i can only try to imagine the pain and horror experienced at this time and I'm sure I'm not even close. But with time, love of family and friends and your faith in God you will endure and survive this. God needed another angel, the light of her beautiful smile to help with all the work he is tasked with. To save her the pain and ugliness of this world for the eternal glory and beauty of his kingdom. I hope and pray for you and your family to find some level of relief from this someday and know she's only gone from your sight not your heart and soul which means she will always be with you. I will be praying for you and your family, God bless.

“ Family, we are keeping you each lifted in prayer. We pray God's continued comfort, love and peace over you. Knowing that God loaned us all this little Angel for such a short time, she has returned to His Holy garden, where she will light up each row with that humble infectious smile! Love you all so much!
